## PRICING

EDGE TO EDGE: \$40.00 psm  
DENSE EDGE TO EDGE: \$45.00 psm

CUSTOM QUILTING:  
Including blocks and borders, re-orientation of blocks etc. From \$65.00 psm

DESIGN TIME or specific Pattern purchase Variable

TURNING QUILT FOR BORDERS \$15.00

BASTING: 4 to 6 inches apart. Easy to remove stitches \$15.00 psm

MINIMUM CHARGE \$60.00 per quilt.

BINDING: Customer to prepare binding (diagonal seams pressed open)  
Attach binding to front of quilt ready for hand stitching \$5.00 pm

PLEASE NOTE: I no longer charge for thread. I find the average quilt uses less than 1 large bobbin per sq metre. If your quilting uses more than this, it will be priced as dense quilting.

BATTING: - I carry some batting. These are subject to change but may include Hobbs 80/20 Cotton/Poly, 100% Wool, 60/40 Wool/poly mix, 50/50 Wool/cotton mix and 50/50 Bamboo/Cotton blend.

Please ask for prices as they fluctuate depending on the exchange rate at the time I purchase them.

BACKING: I have a few wide backing fabrics and samples which you can order from at an additional cost. However, I do not join or construct backing from other sized fabric.

When working out the cost, I multiply the width by the length (when measured in metres 1.85 by 2.23 = 4.13 square metres) to get the square metres.

Per Square Meter (psm)

Correct at time of printing January 2017. Prices subject to change.
